9.1. Except as provided in Article 10 of this Agreement, hours worked by an employee in excess of a normal work day within a twenty-four (24) hour period shall be compensated at one and one-half (1½) times the employee's basic hourly rate of pay, unless such excess hours worked result from a regular change of shift. Except as provided in Article 10 of this Agreement, hours worked by an employee in excess of a normal work week shall be compensated at one and one-half (1½) times the employee's basic hourly rate of pay, unless such excess hours worked result from a regular change of shift.

9.2. The working of overtime covered by this article shall be voluntary and no action shall be taken against any employee who declines to work such overtime except that in an emergency an employee may be ordered to work by the Chief or other person authorized to act on his behalf.

9.3. Insofar as practicable, without reducing efficiency of work performance, opportunities to work overtime shall be distributed as equally as practicable among employees, provided the employees are qualified to perform the specific overtime work required.

9.4. A record of all overtime worked shall be maintained and posted by the Police Department.

9.5. The Chief may grant compensatory time off in lieu of pay for such overtime worked upon the request of an employee made in advance of overtime worked. The Chief should develop specific timetables for scheduling the compensatory time off within a reasonably short period of time so as to avoid any substantial buildup of compensatory time off. Compensatory time off shall not be granted at a time when it shall result in another employee working overtime. Compensatory time off for overtime worked shall be computed at one and one-half (1½) times the overtime worked. Any compensatory time off due an employee at the end of any calendar year shall be paid to such

employee in the paycheck covering the last pay period in that year, based on the employee's basic hourly rate as of the last day of that year, but an employee may carry over into the next calendar year up to forty (40) hours of such accumulated compensatory time off if the employee applies for such carry-over prior to December 1; however, any such carry-over which is not used before the next April shall be paid to the employee based on the employee's basic hourly rate as of the last day of the year from which such time was carried over.

In addition to compensatory time as set out in this Article, an employee may qualify for excess straight time pursuant to Article 10.

9.6. Overtime is to be computed to the nearest fifteen (15) minutes. Notwithstanding the overtime provisions of this article, employees working overtime on a holiday shall be compensated for that overtime worked as per the provisions of Article 13.

#### ARTICLE 10 - COURT TIME - CALL BACK TIME - JURY DUTY

10.1. Employees who are required by the Employer to appear in court or who, because of an emergency, are ordered to work during non-scheduled work time, shall be compensated for a minimum of four (4) hours pay at one and one-half (1½) times the employee's basic hourly rate except that the four (4) hour minimum pay requirement shall not apply in instances where such court time or call back time continues into or extends from a normally scheduled shift. Call back time shall include employer ordered medical appointments, administrative meetings or other activity at a police work site that the employer orders the employee to attend.

10.2. Additional non-scheduled work or court time beyond the four (4) hours is to be compensated for at one and one-half (1½) times the employee's basic hourly rate, such time to be computed to the nearest fifteen (15) minutes.

10.3. In the event more than one court appearance or non-scheduled work assignment or combination of the two is carried out by an employee within a twenty-four (24) hour period, such employee shall not be compensated for more time than the lapsed time between the beginning of the first assignment and the end of the last assignment, except that when such lapsed time is less than four (4) hours, such employee shall receive four (4) hours pay, at one and one-half (1½) times the employee's basic hourly rate.

10.4. The employer shall attempt to schedule employees for court appearances during the employees' normally scheduled work periods.

10.5. When an employee is called to serve on a petite or grand jury panel during, or within eight hours of, any shift that the employee has been scheduled to be at work, the employee shall be assigned, as a special duty work assignment, to report for jury duty to the designated place. Any amount of money the employee receives as compensation for jury duty while on special duty shall be given to the City Treasurer to be deposited in the City General Fund.

10.6. The employer has the right to schedule meetings, training, or similar activities which are mutually beneficial to the employer and employee. If an employee voluntarily attends such an

event, and the time spent in attendance results in the employee's hours at employment exceeding the regularly scheduled hours of work in a shift rotation period, as set out in Article 9, then the employee shall be credited with regular, straight time compensation for the combined hours that result from the regularly scheduled shift rotation and the voluntary event attendance. Voluntary attendance at such events will result in a minimum four hour straight-time compensation, per event attended; however, when the event continues into or extends from the employee's normally scheduled shift, the employee will receive straight-time compensation for the actual time in attendance.

The Chief shall grant time off for excess straight time an employee has been allowed to work when it appears that said straight time will exceed the employee's required annual straight time. Any excess straight time off shall not be granted at a time when it will result in overtime in the work unit. However, an employee may carry over into the next calendar year up to 40 hours of accumulated excess straight time off if the employee applies for such carry over by December 1. Any amount of accumulated excess straight time which is not used before the beginning of the day shift of April 1st shall be forfeited.

#### ARTICLE 12 - UNIFORM-CLOTHING ALLOWANCE

12.1. The pay provided for in the appendix, and in this agreement, includes an amount to compensate the employees for the expense of maintaining uniforms and suitable clothing required by the employer, for both uniformed personnel and those people assigned by the chief to duty as plainclothes officers. When requested by an employee who is transferred or promoted to a uniform duty position, after a minimum three-year assignment in plainclothes, the employer shall provide the following uniform items: 2 winter trousers, 2 summer trousers, 2 winter shirts, 2 summer shirts; or the monetary equivalent of the cost of these items may be applied toward the purchase of other uniform items. Requests for uniform items in excess of those provided for in this provision will be decided by the Clothing Committee, as described in Article 12.4. The provisions of this paragraph shall not apply to short-term or day-to-day uniform duty assignments. Any incident resulting in damage to uniform clothing shall be reported in writing in the incident report to the supervisor during the work shift unless good cause is shown why the officer could not make such a report. The employer will not compensate for any damages not reported in this manner. Uniform items required by the chief which are new, additional items and not replacement items shall be initially furnished by the employer, and thereafter shall be maintained as regular uniform items.

12.4. The clothing committee shall consist of the Uniform Division Deputy Chief, two union-appointed representatives, police secretary, and a police officer agreed upon by both the employer and the union. The clothing committee will have the following functions: a) to decide whether to honor an employee's request to replace damaged clothing items; b) to decide whether to honor an employee's request for the reissuance of uniform items pursuant to Article 12.1; and c) to recommend to the Chief of Police changes in the design and specifications of uniforms or regulations concerning uniforms. The Chief of Police reserves the right to determine uniform design and specifications and to establish regulations concerning uniforms.

17.3. In connection with the administration of the credits for employees under the above described program, the Administrative Assistant or his designee shall establish rules and regulations in connection with said program; and it shall be his responsibility to verify the eligibility of the courses taken by any employee under said program, and the determination of satisfactory completion by any employee of the requirements of the program.

19.1. During the period of this Agreement, the Employer will provide employees hospital-medical insurance coverage containing the same level of benefits as provided under the three hospital-medical insurance plans in effect on 1-1-93.

a. The Employer agrees to pay for the employees without claimed dependents the entire cost of the single employee approved hospital medical coverage selected by the employee.

b. The Employer agrees to pay the entire premium as the cost of medical insurance for employees eligible for and enrolled in an approved family hospital-medical insurance plan not to exceed the amounts contained in the following chart:

| <u>YEAR</u> | <u>FEE FOR SERVICE<br/>(PLAN 1)</u> | <u>H.M.P. PLAN<br/>(PLAN 2)</u> | <u>COMPREHENSIVE<br/>PLAN (PLAN 3)</u> |
|-------------|-------------------------------------|---------------------------------|--|
| 2000        | \$500.00                            | \$540.00                        | \$560.00                               |

The Employer shall deduct from each eligible and enrolled employee's salary or wages the amount by which the monthly premium cost of that employee's selected hospital-medical plan family-dependent coverage exceeds the limit on the Employer's contribution that is stated in this paragraph.

c. Premiums shall be established by November 1 of the prior year, to be in effect January 1 of each year for twelve (12) consecutive months.

d. The parties have met and conferred in the insurance committee and agree that, in addition to the fee-for-service plan, an employee may elect to receive approved coverage under either the Health Management Plan or the Comprehensive Plan as these plans are described in the health benefits elections comparison chart, dated 12-29-92, developed by Epic Life Insurance Company and made available to employees.

e. Beginning January 1, 2000, each employee who has been continuously employed by the City for at least 90 days may, during the open window for insurance selection or at the time of a life event, designate \$150 of the monthly employer contribution available for the employee's family-dependent medical coverage premium to be used as a contribution to the monthly cost of a qualifying and approved deferred compensation plan. This contribution shall be \$175 in 2001 and \$200 in 2002.

An employee without family-dependent coverage may, during the open window period for insurance selection or at the time of a life event, designate a qualifying and approved deferred compensation plan for him or her to which the Employer shall, each month, contribute the amounts indicated in the following table:

| <u>YEAR</u> | <u>FEE FOR SERVICE<br/>(PLAN 1)</u> | <u>H.M.P. PLAN<br/>(PLAN 2)</u> | <u>COMPREHENSIVE<br/>PLAN (PLAN 3)</u> |
|-------------|-------------------------------------|---------------------------------|--|
| 2000        | \$150.00                            | \$150.00                        | \$165.00                               |
| 2001        | \$175.00                            | \$175.00                        | \$200.00                               |
| 2002        | \$200.00                            | \$200.00                        | \$235.00                               |

f. If any bargaining unit receives a higher insurance cap, the higher cap will be applied to the Police agreement.

19.2. Hospital-medical insurance coverage shall become effective ninety (90) calendar days from date of hire.

19.3. While an employee is entitled to receive long-term disability income protection pursuant to Article 29 of this Agreement, the Employer shall maintain active employee hospital-medical insurance plan coverage for such employee.

19.4. Any proposed change in the hospital-medical insurance coverage shall be negotiated with the Union.

19.5. The Employer will include the following provisions to its fee-for-services hospital-medical insurance plan.

a. The major medical limit is increased to \$1,000,000 per lifetime.

Counseling for diabetes, weight control, and genetics will be covered when provided by qualified medical professionals.

b. One general physical examination per year will be provided for each person otherwise covered by the plan; coverage for such physical examination is limited to \$150.00 per person. If required by a physician, additional examinations or other procedures shall be covered.

c. A mandatory ambulatory surgery schedule will be included as per a listing received from Blue Cross/Blue Shield. If an employee elects in-patient surgery when not medically necessary, the employee shall pay the difference in cost. If a determination is made by a qualified physician that such surgery should be performed as an in-patient procedure because of medical necessity, such surgery shall be covered as in-patient surgery.

d. A second opinion by a qualified physician shall be required for elective surgery. The employee may, after obtaining a second opinion, elect the surgery whether or not the second physician concurs.

e. A family or employee participating in the medical insurance plan shall be responsible for payment of \$3.00 of the cost of each drug prescription filled during the calendar year, accumulated up to a maximum participant payment of \$100 each year per participant family, and 50¢ participant payment for each prescription filled thereafter. This paragraph is effective commencing upon City Council approval of this contract in 1986.

f. If a plan participant discovers a mistake in a hospital-medical billing, and this discovery results in a money saving to the plan, the participant shall receive from the employer one-half the amount of the saving.

19.6. The Employer will include the following provisions in the Plan 3 Comprehensive Plan:

a. Lifetime benefit is \$2,000,000.00.

b. Bone marrow, heart, liver, kidney, heart/lung, pancreas transplants.

19.7. The dependents of a deceased-active employee shall receive hospital-medical insurance to the same extent as active employees. The spouse's coverage ceases when the spouse dies or remarries. The minor dependents' coverage ceases when they attain the age of 21 years, or, if the dependent is a full-time student, the age of 23 years.

19.8. Group Health Fund.

The City shall establish and maintain a Group Health Fund for the purpose of funding health care costs. All monies appropriated by the City or contributed by plan participants and by other agencies to finance health care or dental care costs under the City's plans shall be paid into such Fund monthly. Monies in the Group Health Fund shall only be expended for payment of health care expenses, purchase of health and dental insurance (including stop loss insurance), payment of expenses incurred in the administration of the City's health care and dental care programs, and other health-related expenses incurred as determined by the Health Insurance Labor-Management Committee. The following expenses are examples of, but not necessarily all of the expenses that shall not be paid from the Group Health Fund: Payments made pursuant to the Worker's Compensation laws and the cost of physical exams of, or medical services for, employees which exams or services are required by the City or another governmental agency. Any funds expended from the Group Health Fund that are later determined by the Employee Benefits Administrator or

through court action, arbitration, or mediation to have been more correctly charged to Worker's Compensation shall be promptly reimbursed to the Group Health Fund. Reimbursements from stop loss insurance shall be promptly deposited in the Group Health Fund.

The City shall invest reserves in the Group Health Fund to the same extent and in the same manner as it invests reserves in its other funds. Any interest or other return earned through investment of monies in the Group Health Fund shall be credited to such Fund.

If monies in the Group Health Fund are at any time insufficient to pay the expenses described in this Article, the City shall provide sufficient monies to such Fund to cover the deficit. At least one-third of the balance of any such monies which have not been returned by the Fund to the City at the end of any calendar year shall be returned to the City from the Fund no later than the end of the subsequent calendar year.

The City shall deliver to the members of the Committee each month a summary report of expenditures from the Group Health Fund for the prior month, and a detailed report each quarter.

#### 19.9. Health Insurance Labor-Management Committee.

It is jointly agreed between the Union and the City that the goal of the two parties is to establish a joint labor-management committee that will administer the health insurance plan of the City, all collective bargaining units, and eligible sub-groups.

The Health Insurance Labor-Management Committee shall be comprised of the following even number of voting members, equally divided between union and management representatives:

- 1.) One member selected by each of the City bargaining units adopting this agreement, and one additional member selected by the Basic Unit, should it adopt this agreement;
- 2.) The Administrative Assistant of the City or his/her designee; and
- 3.) The Director of Finance, the Director of Administrative Services, and as many other department heads, or their designees, selected by the Administrative Assistant of the City, as are necessary to balance the Committee evenly between bargaining unit and management representatives;
- 4.) There shall be one non-voting member selected by the City's retiree's organization.
- 5.) Because of the complex nature of the subject matter covered, alternate members as well as regular members are encouraged to attend all meetings.

The Health Insurance Labor-Management Committee shall have the following powers and duties:

1.) The power to establish by-laws for its organization and operation. The Committee shall attempt consensus in all actions, but failing that, the concurrence of two-thirds of the members present and voting at any meeting shall be required.

2.) The power and duty to determine the number and type of health insurance plans and the benefit levels in such plans that will be offered to City employees and others participating in the City's health insurance program. The Committee cannot delete or change health plans or health benefit levels set out in the labor contracts in 1994 without the agreement of the specific union(s) concerned, and the necessary approvals or ratifications.

3.) The power and duty to determine the estimated costs of the health insurance plans that are offered to City employees and others. In making this determination, the Committee shall rely on the calculations of the City's health plan administrator and/or the calculations of a professional insurance consultant or actuary.

4.) The power and duty to determine the appropriate level of premium stabilization reserves to be maintained in the City's Group Health Fund.

5.) The power and duty to determine the need for stop-loss insurance.

6.) The duty to recommend City participation in wellness and other health promotion programs that would be funded by the Group Health Fund.

7.) The power and duty to establish premium rates for the various classes of participants in each of the health insurance plans offered to City employees and others that will generate sufficient monies to fund the City's health insurance program and maintain the reserve level established for the Group Health Fund. The Committee shall use the following formula to determine such rates:

a.) Determine the dollar cost of paid claims during the previous 12 months, less actual and unpaid stop loss reimbursements, ending September 30th.

b.) Project the claims cost for the current calendar year, using the City plan administrator's experience-based future cost adjustment factor and/or other indicators of future cost trends from credible third-party sources.

c.) Add to b.) the estimated cost of administering the health plans in the next calendar year, along with the estimated cost of any stop-loss insurance and wellness or other health promotion programs being recommended by the Committee for that calendar year.

d.) Add to or subtract from c.) the amount of any increase or decrease in the level of premium stabilization reserves being implemented, Group Health Fund surpluses or deficits present or desired, or reimbursements to the City required. The Committee shall establish the desired reserve or surplus level and rate of accumulation annually.

e.) Calculate the expected income for the next calendar year which would be realized if the previous year's premium rates were continued.

f.) Calculate the percentage difference, positive or negative, between the amount calculated in e.) and the amount calculated in d.).

g.) Multiply the current premium rates by the percentage calculated in f.).

8.) The power to recommend the selection of insurance consultants or actuaries hired by the City to assist the Health Insurance Labor-Management Committee.

9.) The power and duty to recommend the selection of the third-party administrator for the City's health and dental plans.

The City and Union acknowledge the need for the Health Insurance Labor-Management Committee to provide premium rates for the following calendar year by November 1st of the current year. If the Committee fails to perform this duty by the date required, the parties agree that the City may make the necessary determinations based upon the recommendations of the City's health plan administrator and/or insurance consultants under contract with the City.

In the year 1994, the Committee may not be organized and functioning pursuant to this Article in time to finalize the premium rates by November 1. Therefore, in 1994, the premium rates calculated and reported to the insurance committee then in existence, and accepted by it, shall be the rates charged for coverage. Should the Committee begin full operations and modify the rates prior to April 1, 1995, the parties may agree by executed memorandum to retroactively apply the modified rates.

#### ARTICLE 20 - HOSPITAL-MEDICAL INSURANCE-RETIRED EMPLOYEES

20.1. Any employee who retires from employment with the City on or after January 1, 1983, after having been employed by the City for a minimum of twenty (20) years so as to be qualified by such employment to receive retirement benefits or currently receiving retirement benefits from the Public Employees Retirement Association, the Duluth Firemen's Relief Association, or the Duluth Police Pension Association, shall receive hospital-medical insurance coverage to the same extent as active employees, subject to the following conditions and exceptions:

a. Any person who retires after December 31, 1985 seeking benefits pursuant to this Article and who is eligible to obtain Medicare Coverage B must obtain it, or lose any benefits hereunder. Any co-pays or deductibles that are part of the plan the retiree chooses must be paid by the employee-retiree.

b. The City will provide any eligible retired employee without claimed dependents the approved fee-for-service or H.M.P (Plan 2) coverage provided active employees, as chosen by the employee, without cost to the retiree.

c. Effective December 31, 1987, for any such eligible retired employee with or without claimed dependents, the City will provide, without cost to the retiree, the approved fee-for-service or H.M.P. (Plan 2) coverage provided active employees; however, the approved fee-for-service or H.M.P. (Plan 2) coverage shall be subject to an annual deductible amount of \$650. The \$650 annual deductible amount does not apply to employees who retire on the approved comprehensive plan (Plan 3). If no covered plan participant receives benefits during a calendar year, any portion of the deductible amount which is accrued for services rendered in the last three calendar months of that calendar year shall be applied toward the deductible amount for the following calendar year.

d. For each year (26 equal pay periods) that a fee-for-service covered employee has used five or less sick days (excluding sick days resulting from on-the-job injuries, maternity leave, or funeral leave), the employee will receive credit for one calendar year's use of the deductible established in paragraph c above, that applies to the retired employee, but not to dependents, upon retirement. There shall be a continuous year for year exchange of controlled sick leave use for credit toward retired employees insurance deductible, beginning with the first day of the retiree's enrollment for retiree medical insurance benefits. This paragraph will be retroactive for current employees to date of hire and employees shall receive year for year credit for years of service through 1979. Enrollment occurs when retiree insurance coverage goes into effect.

e. Employees hired after the date of approval of the Police agreement by the Duluth City Council who retire and qualify for retiree health coverage shall receive benefits under the comprehensive plan (Plan 3) only. This provision shall expire Midnight, December 31, 2002, unless the parties agree to extend it.

f. Any employee who retires after the date of approval of this Agreement by the Duluth City Council and has been employed by the City for a minimum of fifteen (15) years but less than twenty (20) years, and qualified by such employment to receive retirement benefits, shall receive retiree hospital-medical coverage under comprehensive plan (Plan 3) only.

20.2. Such coverage shall be for the life of the retiree, but if the retiree dies before his or her spouse, such coverage shall be continued for such spouse until he or she dies or remarries, but any such coverage for such surviving spouse shall not include coverage for any dependent of such surviving spouse.

20.3. If any such covered retiree or spouse becomes the beneficiary of any hospital-medical coverage provided by another employer in connection with such retiree's or spouse's employment by or retirement from employment by another employer, the City's obligation to provide the coverage indicated above shall be only to the extent that the City's coverage exceeds such other coverage.

## ARTICLE 21 - HOSPITAL - MEDICAL INSURANCE - DISABLED EMPLOYEES

21.1. The Employer agrees that it shall be deemed an "employer" as defined in Subdivision 5 of Section 62A.147 of Minnesota Statutes 1976 so that Sections 62A.147 and 62A.148 of said statutes will be applicable to the Employer. This paragraph shall be deemed to pertain only to said sections as they existed in Minnesota Statutes 1976; it shall not be deemed to incorporate any amendments that may subsequently be made by the legislature. Notwithstanding the foregoing language in this paragraph, the Employer shall not be deemed an "employer" as defined in said Subdivision 5 with regard to any employee or former employee who has attained the age of 65 years. The provisions of this article shall be deemed applicable to former employees of the Employer.

## ARTICLE 22 - DENTAL INSURANCE

22.1. The Employer agrees to make the same dental care coverage available to all eligible employees as it currently makes available for employees of the Basic and Supervisory collective bargaining units of the City, but the Employer agrees to pay only the entire cost for single coverage for each eligible employee. To be eligible for this coverage, an employee must be continuously employed for at least 90 days as a permanent employee. The Employer and the Union agree that any change in such coverage shall only be done through negotiations.

22.2. When an employee elects to take family dental coverage, the employee shall maintain such coverage for at least two consecutive years. The employee may cancel family dental coverage any time after the two year period. If an employee again elects to take family dental coverage after canceling from a previous period, the employee must again maintain the family dental coverage for another two year period. An employee will only be allowed to elect family dental coverage at the time of hire, when he or she becomes eligible for single dental, or at the time of an open enrollment period for health care plans.

## ARTICLE 23 - TERMINATION PAY

23.1. When an employee leaves City employment, he or she shall be paid in full on the payroll covering the last day he or she actually worked for his or her salary due, plus the value of accumulated vacation time, and unused compensatory time off earned, such value to be calculated based on his or her basic hourly rate at the time of his or her termination.

23.2. Any employee who was an employee on August 1, 1980, and who leaves City employment after that date upon completion of more than 25 years of service with the City as a sworn law enforcement officer, shall also be entitled to a severance allowance. Such allowance shall include an amount equal to the pension contributions made by such employee to the Duluth Police Pension Association, but only for those contributions made for service on or after August 1, 1980, and only for those contributions which are based upon the employee's service in excess of 25 years. Such allowance shall also include interest, which shall be calculated from the times that the above said contributions occur, and shall be compounded quarterly; the rate of interest for any quarter shall be the rate which the City uses for that quarter to allocate its earnings on its investments to its various funds. An employee's death shall not extinguish the City's obligation to pay the severance allowance prescribed for such employee by this paragraph.

## ARTICLE 24 - WORKER'S COMPENSATION

24.1. An employee who suffers an injury compensable under the Worker's Compensation Act and is absent from work as a result thereof, shall be paid an amount by the Employer during such absence so that the employee's net income rate after income taxes and F.I.C.A. are deducted is equal to his or her net income rate after income taxes and F.I.C.A. are deducted at the time of the injury, subject to the following:

24.2. The income rate's referred to above shall be calculated based upon the claimed dependents and deferred compensation existing at the time of injury, and shall not be affected by subsequent changes.

24.3. For each day of absence the employee shall be charged for three-fifths (3/5) of a day of sick leave. When the employee's sick leave, vacation time and compensatory time benefits have been exhausted, he or she shall no longer receive any salary from the Employer while absent from work.

## ARTICLE 25 - PAY PERIODS

25.1. All employees shall be paid every two (2) weeks, and payment for each two (2) week period shall be made not later than the Friday next following such two (2) week period. If any such Friday occurs on a holiday, checks shall be distributed on the working day next prior to such holiday. The amount of pay for each such two (2) week period shall be determined by multiplying the employee's basic hourly rate by 80.

The employer shall notify employees and the union before February 1 of each year of the dates of deduction-free pay periods in the year.

## ARTICLE 26 - VACATION

(Modified by 1992 Supplemental Agreement)

26.1. Any employee who has been continuously employed by the City shall be credited with vacation according to the following schedule:

| <u>Years of<br/>Continuous<br/>Service<br/>(Inclusive)</u> | <u>Hours/<br/>Pay Period</u> | <u>Vacation<br/>Hrs/Year</u> | <u>Maximum Year<br/>End Carry-over<br/>Into Next Year</u> |
|--|------------------------------|------------------------------|---|
| 0-4  | 3.69                         | 96                           | 336 hrs   |
| 5-8  | 5.85                         | 152                          | 336 hrs   |
| 9-12   | 7.08                         | 184                          | 336 hrs   |
| 13-16  | 7.69                         | 200                          | 336 hrs   |
| 17-20  | 8.62                         | 224                          | 336 hrs   |

However, an employee who has completed 25 years of service shall be allowed to carry over into the next year 500 hours of accumulated vacation, and an employee who was hired before December 31, 1993, and has completed 25 years of continuous employment with the City shall be allowed to carry over into the next year 850 hours of accumulated vacation.

\* See 1992 Supplemental Agreement for changes.

During any calendar year there shall be no limitation to the amount of vacation time that any employee may accumulate.

26.2. No employee shall be allowed to use vacation time and no employee shall be compensated for vacation time until he or she has been continuously and satisfactorily employed for not less than six (6) months. No employee shall use vacation time except at such time or times as the Chief may approve. If an employee has accumulated over 450 hours of vacation time on or before October 1, then the employer may require the employee to take vacation time off, in units of at least one day, from work at reasonable times, which do not disrupt another employee's scheduled vacation, between October 1, and December 31, but not in such amount that the employee's accumulated vacation on December 31 is less than 450 hours or the employee's individual accumulation cap, whichever is greater.

26.3. Any part-time employee must work a minimum of eighty (80) hours during a calendar month to qualify for vacation time for such month, and he or she must have a minimum of five (5) such qualified months during a calendar year to receive vacation time credit for those months in which he or she worked not less than eighty (80) hours. Vacation time to be so allowed shall be calculated by prorating the number of hours worked during any such qualified calendar month with the number of hours that such part-time employee would have worked during such qualified calendar month if he or she had then been employed full time.

26.4. In the event of death of any employee, any vacation time accumulated to the credit of such deceased employee shall be compensated for in cash and shall be paid in accordance with Minnesota Statutes, Section 181.58, as amended.

#### ARTICLE 27 - SICK LEAVE - FUNERAL LEAVE

27.1. a. Any employee who has been continuously employed by the City for not less than six (6) months in the classified or unclassified service shall be granted up to 60 working days of sick leave with full pay (paid sick leave) for each calendar year, except that such minimum requirement of six months shall not be applicable in connection with any illness or injury arising out of and in the course of employment by the City. When an employee is unable to or indisposed to report for duty for any of the reasons specified in Section 3 of this article, he or she shall immediately report such fact to his or her immediate supervisor. To qualify for sick leave, the employee must report off at least thirty (30) minutes prior to his or her starting time, but must immediately report off when leaving his or her duties.

b. A labor-management committee consisting of the Union President, Administrative Assistant, and Police Chief, or his designee, may grant (in writing) up to an additional 180 working days of sick leave with full pay, if warranted by the employees documentation of a serious need for such an extension. This committee shall also review and decide any issues regarding years of credit of sick leave (for purposes of retiree health insurance) that are in dispute.

27.2. a. If an employee's use of paid sick leave reasonably appears to the employer to be unjustified and the employer wishes to obtain a medical explanation, the appointing authority shall deliver a written instruction to the employee, requiring that for that absence or any subsequent absence, for a stated period of time, by the employee claimed to be allowable as paid sick leave, the employee must furnish written explanation by a physician such as to justify the absence on paid sick leave; the written request for physician's explanation shall state the employer's basis for suspecting the use of sick leave is unjustified. Failure to furnish such written explanation shall preclude such employee from being allowed such absence as paid sick leave, but such employee may appeal such directive to the Administrative Assistant. The employer shall notify the employee in writing its reasons for concluding that the employee's use of sick leave is unjustified. Sick leave approved by the employee's physician may not be denied for discipline.

b. Employer can send an employee to a City-chosen and paid doctor with the employee having the option of refusing two (2) doctors, to check fitness for duty. The employer must state specifically in writing, reasonable grounds for sending the employee to a doctor.

27.3. For purposes of this article, sick leave is defined to mean the absence of an employee because of illness or injury, exposure to a contagious disease, attendance upon a member of the immediate family; provided no employee, unless officially assigned to special duty, shall be granted paid sick leave for any injury or illness resulting from any gainful employment on any job which is subject to the provisions of the worker's compensation laws of any state, other than regular City employment.

a. For the purposes of this article, immediate family is defined to include only any parent, child, brother, sister, spouse, grandparent, grandchild, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or ward of the employee, and any parent or grandparent of the employee's spouse.

b. Illness in Family. Upon request, one (1) day of paid sick leave shall be allowed for care or attendance upon a member of the immediate family for critical illness; provided, however, three (3) days of paid sick leave shall be allowed for this purpose if supported by a written statement (explaining why the employee's attendance is necessary) from the attending physician. This use of paid sick leave is for emergencies when advance arrangements cannot be made and is limited to members of the immediate family. In any event an employee shall be granted sick leave to attend to a child as required by MSA 181.9413.

c. Funeral Leave. Upon request, a maximum of five (5) days of paid sick leave shall be granted an employee for a death in the immediate family if the distance to the location of the funeral exceeds five hundred (500) miles from Duluth. Upon request, a maximum of three (3)

days of paid sick leave shall be granted if the distance to the location of the funeral is less than five hundred (500) miles from Duluth. If the employee's absence exceeds the allowed time, the excess time shall be charged to vacation or compensatory time off. Article 40 of this agreement shall not apply to the taking of vacation for this purpose.

Absence for any funeral other than a member of the immediate family may be granted on paid sick leave, at the discretion of the supervisor, and shall not exceed one-half (1/2) work day.

d. Medical Appointments. An employee must obtain prior approval from the appointing authority for the purpose of medical, dental, or optical examination or treatment, when such examination or treatment cannot be scheduled other than during working hours. Such absence on paid sick leave shall be approved only when the employee has made a diligent effort to have such examination or treatment prior to his or her normal working hours, after work, or on a day off.

e. Paid Sick Leave On Vacation. Paid sick leave will not be allowed during a previously scheduled vacation unless the employee is under the care of a physician because of an unexpected injury or illness and the employee furnishes to the Administrative Assistant a certificate, signed by the physician, indicating the number of days the employee was actually confined to his or her home or hospital. The employee will then receive paid sick leave for those days spent confined. If the employee is exposed to a contagious disease and confined under doctor's orders, such employee will be granted paid sick leave in lieu of vacation.

f. If an employee is entitled to sick leave and also to no-fault or other car insurance loss of pay benefits, the employee shall receive only one payment to reimburse for lost wages. If the employee receives the no-fault or other car insurance payment for lost wages, the employee shall not receive sick leave pay. If the employee receives sick leave pay the employee shall, upon request, assign to the employer his or her right to no-fault or other car insurance lost wage reimbursement. The employee shall not be credited with sick leave use if the employee receives no fault or other car insurance company payments for lost wages or the employer receives such assigned reimbursement.

27.4. Whenever any employee is absent on sick leave in excess of three (3) consecutive working days, the Chief shall direct such employee to furnish written explanation by a physician to justify such absence on sick leave; failure to furnish such written explanation shall preclude such employee from being allowed such absence as sick leave. This section shall not apply to funeral leaves.

27.5. Employee Assistance Program. Any approved absence for an employee's participation in the Employee's Assistance Program shall be allowed as paid sick leave if approved in writing by the Employee Benefits Administrator. When the employee's spouse or child is under a Family Involvement Program, and it requires the employee to participate in the program, that time spent by the employee to participate in this program shall be allowed as paid sick leave if approved in writing by the Employee Benefits Administrator. When the employee wishes to participate in a family involvement program with another who is neither a spouse nor child, paid time off as vacation or personal leave shall be allowed if approved by the Employee Benefits Administrator.

As in the case with other paid sick leave, the employee must report off sick after securing written permission from the Employee Benefits Administrator and report the purpose for the use of such sick leave, but it will not be necessary for them to go into details. Employees denied sick leave pursuant to this paragraph may appeal such denial to the Administrative Assistant.

27.6. Any employee who has been removed from the payroll because he or she is absent with an illness or injury and has no sick leave, vacation, or compensatory time off remaining shall file a statement from a physician with the Administrative Assistant at least once every three (3) months which indicates that he or she is unable to perform the duties of his or her position because of such illness shall be considered to be on leave for a period not to exceed one (1) year and shall be reinstated in his or her position upon filing with the Administrative Assistant a statement signed by a physician which indicates that he or she is physically able to perform the duties of his or her position. The physician for such latter statement shall be chosen by the Administrative Assistant, and compensated by the Employer.

#### ARTICLE 28 - ASSIGNMENT OF INJURED OR DISABLED EMPLOYEES TO OTHER POSITIONS

28.1. Whenever an employee suffers an injury or disability which results in the employee's inability in excess of ten (10) working days, to perform all the duties of his or her position, the Employer may, if such employee is capable of performing the work of any other position, or any, including his own, position modified to accommodate medical restrictions, with the then existing work structure of the department, assign or transfer the employee to such other position as the Employer determines would result in the most effective use of the employee. If the injury or disability is not job related, the employee shall receive total monthly compensation equal to the total monthly salary the employee would receive if he or she was regularly appointed to the position the employee is filling, as provided in Appendix I of this Agreement. Assignments and transfers under this article shall expire at such time as the employee is able to perform the regular duties of the position held before injury or disability. If such assignment is refused by the employee, and justification for the refusal is not provided by the employee's treating physician, paid sick leave will be denied. In case of a dispute as to whether the employee can perform assigned work, after ten (10) working days the City may use its own physician to evaluate the medical condition. The term "job related injury" shall mean an injury suffered by an employee that arises out of and in the course of employment by the employee, and shall not be construed to include an injury suffered by an employee while performing services for private corporations or individuals or for other public agencies. The term "job related disability" shall mean a disability arising out of and in the course of employment with Employer.

28.2. If the City is not able to provide the employee such assignment, the employee remains eligible for paid sick leave or other compensation.

#### ARTICLE 29 - LONG TERM DISABILITY INCOME

29.1. Any employee who has been continuously employed by the City for not less than six (6) months in the classified and/or unclassified service shall be eligible for long-term income protection to age 70 for disability; however, there shall be no such protection for disability caused

by any injury or illness for which the employee received professional medical care or treatment within ninety (90) consecutive days prior to when the employee otherwise becomes eligible for such protection, unless ninety (90) consecutive days elapse from the time when the employee otherwise would be eligible for such protection and during such ninety (90) consecutive days the employee neither receives nor requires professional medical care or treatment for such injury or illness.

29.2. For the purposes of this Article, disability means that which is caused by illness or injury which occurs during the employee's term of employment and which prevents the employee from performing the major tasks of the employee's position.

29.3. Payment of benefits pursuant to this article to a disabled employee shall commence when the employee exhausts his or her allowance of sick leave with full pay provided by Article 27.1 of this Agreement. The amount of such protection shall be 65% of the employee's basic hourly rate as of the time that employee's sick leave is exhausted, or the parties agree to commencement of such payments, but shall not exceed an amount equivalent to a monthly rate of pay of \$3,500; however, for any pay period, the amount of such protection shall be reduced by any amount that the employee receives for such pay period as a retirement or disability pension from the Public Employees Retirement Association, the Duluth Firemen's Relief Association, the Duluth Police Pension Association, or from the federal government pursuant to the federal Old-Age, Survivors and Disability Insurance Act, and by any amount that the employee receives as worker's compensation in lieu of wages or salary. Any cost of living adjustment to any amount received as a retirement or disability pension or as worker's compensation shall not be used to reduce the amount of such protection. The amount of such protection for any pay period shall also be reduced by any amount that the employee receives as wages or salary during that pay period, but only when the total amount that the employee has received for wages or salary during the calendar year exceeds \$5,000.

29.4.

a. Payment of benefits due under this article shall be calculated for each regular pay period, and shall be paid for the period at the same time as employees are then paid pursuant to Article 25 of this Agreement. For any pay period the City may deduct from the payment of benefits any amount which the employee previously received as payments of benefits but to which the employee was not entitled because of the provisions of this Article.

b. As benefits due under this article, the employer may offer to any employee who is disabled an assignment, at such employee's present rate of pay, to any position, or one with tasks or equipment modified to accommodate employee's medical restrictions, in his or her present or lower classification, the duties of which the employee is medically able to perform. Such assignment shall not result in the denial of promotion to, or the layoff of, a classified employee.

29.5. Within 24 months from the date of injury or illness causing such disability, if the employee is still receiving benefits pursuant to this article, the employee shall:

a. Return to the position with the City which the employee occupied when he or she became disabled; or return to a position with the City, which may have tasks or equipment modified to accommodate employee's medical restrictions, for which the employee is qualified, if

such position is available; but only if the employee provides written information from a physician, chosen and compensated by the City, which indicates that the employee is then capable of performing the duties of such position; or

b. Request rehabilitation or retraining designed to return the employee to other work which produces an economic status as close as possible to that enjoyed by the employee before the illness or injury; the costs of such rehabilitation and/or retraining shall be borne by the City; such rehabilitation or retraining may include, but is not limited to, medical evaluation, physical rehabilitation, work evaluation, counseling, job placement, and implementation of on-the-job short-term training; or

c. Apply for permanent total disability status. Total disability, (as defined in Minnesota Statute 176.101, Subd. 5) means the total and permanent loss of the sight of both eyes, the loss of both arms at the shoulder, the loss of both legs so close to the hips that no effective artificial member can be used, complete and permanent paralysis, total and permanent loss of mental faculties, or any other injury which totally incapacitates the employee from working at an occupation which brings him or her an income. This definition shall not limit the employee's right to earn \$5,000 per year as provided for in paragraph 29.3 of this article.

29.6. a. Receipt of long-term income protection benefits shall cease at the expiration of 24 months from the date of injury or illness causing such total disability unless the employee has complied with Section 29.5 of this Article and has been determined to be returned to work, rehabilitated and/or retrained, or eligible for continuing total disability benefits because he or she is disabled as defined in Section 29.5. Such determination shall occur upon the occurrence of both of the following:

(1) Medical verification by the employee's treating physician and a physician appointed by the City that the determination is consistent with the employee's medical condition. In event of disagreement, a third physician mutually agreed upon by the employee and the City shall act as arbitrator. The arbitrator's decision as to whether the determination is consistent with the employee's medical condition shall be binding on both parties.

(2) Approval by the City Disability Board. The City Disability Board shall consist of one (1) State of Minnesota Worker's Compensation Judge, one (1) member of the bargaining unit appointed by the Union, and the Administrative Assistant.

### ARTICLE 30 - LIFE INSURANCE

30.1. The Employer shall pay the full cost of \$50,000 of term life insurance for each eligible employee. All employees shall receive such life insurance coverage on the first day of the calendar month following completion of six (6) months' service as a classified employee.

30.2. Term insurance terminates on the last day of the month in which an employee terminates his or her employment. Employees are responsible to contact the Auditor's office at least one (1) month prior to retirement to verify any insurance benefits due after termination.

## ARTICLE 31 - LIFE INSURANCE - RETIREES

31.1. The Employer shall pay full cost of term life insurance for any employee who retires from employment with the City on or after January 1, 1983, after having been employed by the City for such total time so as to be qualified by such employment to receive retirement benefits from the Public Employees Retirement Association, the Duluth Firemen's Relief Association, or the Duluth Police Pension Association. The amount of such insurance coverage shall be \$25,000.

## ARTICLE 32 - LEAVES OF ABSENCE - MATERNITY LEAVE

32.1. Any employee who is mentally or physically incapacitated to perform his or her duties or who desires to engage in a course of study such as will increase his or her usefulness on his or her return to the City, or who for any reason considered good by the Chief desires to secure leave from his or her regular duties, may, on written request approved by the Chief, be granted special leave of absence without pay for a period not exceeding one (1) year, provided, however, any leave that exceeds thirty (30) calendar days must also be approved by the Administrative Assistant.

32.2. Any employee asking for special leave without pay shall submit his or her request in writing, stating the reasons why in his or her opinion the request should be granted, the date when he or she desires the leave to begin and the probable date of his or her return.

32.3. For each separate case of special leave without pay, the Chief shall, at the time he or she approves the leave, determine whether the employee granted such leave shall be entitled to his or her former position on his or her return from such leave or whether his or her name shall be placed on the re-employment list for the class.

32.4. No leaves without pay over thirty (30) days will be granted until the employee has used all accumulated vacation and accrued compensatory leave.

32.5. No benefits or seniority shall be accrued by the employee during such leave, however, any employee wishing to be covered under the City's insurance plans may for the first six (6) months of such leave pay both the employee's and the employer's share of the cost of coverage.

32.6. A member of the Union accepting the appointed position of Police Chief or Deputy Police Chief shall be on a leave of absence during the period of such appointment and upon the expiration of such appointment shall be reinstated to the class he held prior to such appointment.

32.7. A member of the Union who is promoted to the position of Police Inspector or Police Lieutenant shall, if such member is laid off or demoted from the position of Police Inspector or Police Lieutenant, return to the classification held immediately prior to the promotion.

32.8. Military leave shall be handled as governed by appropriate Federal and State laws.

32.9. Maternity is defined as the physical state of pregnancy of an employee, commencing eight (8) months before the estimated date of childbirth, as determined by a physician, and ending

six (6) months after the date of such birth. In the event of an employee's pregnancy, the employee may apply for leave without pay at any time during the period stated above and the employer may approve such leave at its option, and such leave may be no longer than six (6) months. The employee on approved maternity leave will be allowed to return to work in the job classification held. There will be no discrimination in job assignment against an employee on approved maternity leave because the employee took an approved maternity leave.

### ARTICLE 33 - DEMOTIONS

33.1. An employee may request or the Chief may propose the demotion of an employee in writing and shall furnish the employee with a copy of such recommendation stating the cause for such demotion. This recommendation shall give the future date on which the proposed demotion is to become effective, the class to which it is proposed to demote the employee, the new rate of pay, and any other information required. Also, the recommendation shall advise the employee that he or she may, within five (5) working days, file a written answer to the Board.

33.2. The Board may, upon its own initiative, and shall, upon the request of the employee concerned within ten (10) days hear the employee and determine whether the proposed demotion is justified and for the good of the City service. After such hearing and investigation or upon the expiration of five (5) days, if no communication is received from the employee, the Board shall forthwith approve or disapprove the recommendation of the Chief and so notify the Chief and employee.

### ARTICLE 34 - DISCIPLINE AND DISCHARGE

An employee who is removed from his or her position while on probation shall have the right to revert to the last position in which he or she completed a probation period.

34.1. a. Any employee who has completed the probationary period may be suspended without pay, discharged or disciplined only for just cause.

b. Discipline shall be progressive in application and not remedial. Except for cases of serious offense, any suspensions, demotions or removal action shall be preceded by a written warning.

34.2. The Chief or any unit leader acting for him or her, may for disciplinary purposes, suspend without pay any employee under his or her supervision in his or her department for one or more periods aggregating not more than thirty (30) calendar days in a calendar year. He or she shall as soon as practicable give written notice to the employee stating the reason for the suspension, the duration thereof, and advise the employee he or she may within five (5) days from the date on which such notice is received, file an answer with the Board and request an opportunity to be heard in his or her own behalf, or grieve the matter pursuant to the grievance procedure, at the employee's option. He or she shall personally deliver such written notice to the employee or mail it to his or her last known address by certified mail.

34.3. a. Appointing Authority may terminate an employee, thereby removing the employee from the workforce. The employee shall be given written notice of termination which shall state specifically the act or acts constituting cause for removal. The employer shall deliver the notice of termination to the employee personally, or shall send one (1) copy by certified mail to the last known address of the employee, and one copy to the union as set out in Article 34.8. The notice shall advise the employee he or she may within five (5) days from the date on which such notice is received, file an answer with the Board and request an opportunity to be heard in his or her own behalf, or may grieve the action pursuant to the grievance procedure, at the employee's option.

b. An employee may not be terminated from his/her job while on sick leave approved by a City-chosen physician, unless that employee is the least senior in his/her job classification and a reduction in force is necessary.

34.4. Upon receipt of a request for a hearing as provided in paragraphs 2 or 3 of this Article, the Board shall within ten (10) days if practicable and in any case within thirty (30) days give the employee an opportunity to be heard on his or her own behalf.

34.5. As soon as practicable after a hearing is held, or after the expiration of five (5) days from the receipt of suspension charges to the employee, or as soon thereafter as practicable, the Board shall act and may in its discretion:

a. In case of a suspension uphold the suspension or restore pay in whole or in part to the employee;

b. In case of a removal

(1) Order the restoration of the employee to his or her position without loss of pay or with reduced pay during the period between the filing of the charges and making of the order;

(2) Order the demotion of the employee to a class for which a lower rate of pay is prescribed;

(3) Order the removal of the employee.

34.6. The finding and decision of the Board shall be final and not subject to the grievance procedure.

34.7. An employee or his/her union representative may file in writing, an appeal to the Chief, after three (3) years from the date of any disciplinary action, to have the record of the disciplinary action removed from his/her file. The employee shall have the opportunity to meet with the Chief to present evidence to support his/her appeal. The Chief will issue a written decision within thirty (30) days. The decision of the Chief may be appealed, within ten (10) days, to the Administrative Assistant. The employee shall have the opportunity to meet with the Administrative Assistant to present evidence to support his/her appeal. The Administrative Assistant will respond in writing within thirty (30) days. The Administrative Assistant's decision will be final. If the

appeal is upheld, the disciplinary action will not be used by the employer in the future for any purpose. A union representative may be present at all meetings during the appeal process.

34.8. The employer shall promptly deliver to the union a copy of any notice of suspension, notice of termination, or reprimand issued to an employee.

#### ARTICLE 35 - DISCIPLINARY ACTION

35.1. Employees shall have the right to have a Union representative present during all disciplinary proceedings or hearings conducted by the Chief or his or her authorized representative which may result in any disciplinary action other than a verbal reprimand.

#### ARTICLE 36 - RESIGNATIONS

36.1. Any employee who wishes to resign in good standing shall give the Chief written notice of at least four (4) weeks, unless the Chief consents to his or her leaving on shorter notice. Such notice of resignation shall be forwarded forthwith to the secretary by the Chief, together with a report as to the character of the employee's service.

36.2. If any employee resigns without giving the required notice, the secretary shall enter that fact on his or her roster card, and such failure to give the required notice may be considered sufficient reason for rejecting any future application from him to enter tests.

36.3. Any employee who has resigned after giving proper notice may, within thirty (30) days after termination of employment, and with the consent of the Chief withdraw his or her resignation and be restored to the position vacated if such position is still vacant or is filled by a provisional employee; if it is not thus available, he or she may, upon written request to the secretary, have his or her name placed on the re-employment list for the appropriate class.

36.4. Any employee who is absent from duty for three (3) consecutive business days without securing leave from the Chief or without notifying him of the reason for his or her absence and the time when he or she expects to return, or who fails to notify the chief of his or her readiness to resume his or her duties within five (5) days after the expiration of a leave of absence, shall be considered to have resigned, and such resignation shall be treated as a resignation without notice and a report thereof made to the secretary.

#### ARTICLE 37 - LAYOFFS

37.1. When the Employer, in its sole discretion, determines that it is advisable due to cause which is not attributable to employment acts of the employee that are rightly disciplinary matters, to reduce the number of employees within a certain job classification, the Chief shall act in accordance with this Article.

37.2. Temporary, provisional, and substitute employees in such class in the department shall first be terminated. Then such reduction shall be made on the basis of seniority; the employee with the least seniority in such class shall be the first to be displaced from such class and so on. Any

employee displaced from such class shall be demoted to the next lower class. Employees shall have their seniority from any higher classification added to their lower classification seniority for determination of seniority in the lower classification.

37.3. The above described procedure shall be reapplied, as is necessary, through to the lowest class; when there is no lower class to which to demote an employee, an employee who would otherwise be demoted shall be laid off.

37.4. If two or more persons in a class from which a demotion is to be made have equal seniority in such class, seniority between or amongst such persons shall be determined by the total time such persons have been employed in the classified service by the City; if such persons have equal seniority the one with the highest Police Officer test score shall be deemed to have the greatest seniority.

37.5. The name of any employee who is demoted or laid off pursuant to this section shall be placed on the re-employment list for each class from which he or she is laid off. This paragraph shall not be applicable to any temporary or provisional employee.

37.6. Demotions or layoffs of an employee made pursuant to this article shall not be deemed to be a removal which is subject to ARTICLE 34.

#### ARTICLE 38 - RE-EMPLOYMENT RIGHTS

38.1. The name of any person who has been laid off shall be placed on the re-employment list.

38.2. The names shall be arranged on the re-employment list for each class, in which they completed a probationary period, in the order of their total seniority in that and higher classes; provided, that if any employee has not been re-employed, the Administrative Assistant shall, on or about the anniversary date of the layoff, contact each person laid off by certified mail to determine if such person is interested in re-employment. If the person is no longer interested, or without giving a satisfactory reason, refuses to accept an appointment offered him, the Administrative Assistant may remove his or her name from the re-employment list.

#### ARTICLE 39 - GRIEVANCE PROCEDURE

39.1. An employee who has been suspended or removed for disciplinary reasons may have the matter reviewed either by the Civil Service Board or by way of this grievance procedure, at the employee's option. An employee or group of employees with a grievance shall within twenty-one (21) calendar days after the first occurrence of the event giving rise to the grievance present such grievance through the union in writing to the Chief, or in the Chief's absence, to his or her authorized representative. The Chief shall send a copy of the grievance to the Department of Administration within five (5) days of his receipt of it.

39.2. At any time after presentation of a grievance, the union may send a request for fact finding to the Human Resources Division. Within five (5) calendar days after receipt of a copy of

the grievance, the Administrative Assistant or his designee shall assign a factfinder to investigate the grievance. The factfinder shall, within twenty-one (21) calendar days of such assignment, or request from the union, make a written report of his/her findings to the Administrative Assistant, the Department Director and the Union.

The Department Head, or his authorized representative, shall present the employer's position in writing to the employee or employees and the Union within twelve (12) calendar days after receipt of the factfinder's report.

Grievances not resolved within the Police Department must be presented by the employee or employees through the union in writing to the Administrative Assistant within twelve (12) calendar days after the Chief has given his or her reply to such grievance. The Administrative Assistant shall reply to the aggrieved employee or employees and the union within twelve (12) calendar days after receipt of such grievance. The resolution of grievances settled by the procedures set forth in this paragraph shall be reduced to writing and signed by the employee or employees, the union and the Employer.

39.3. If the grievance is not settled in accordance with the foregoing procedure, the union may, within nine (9) calendar days after receipt of the reply of the Administrative Assistant submit the grievance to arbitration by serving notice in writing of such submittal upon the Administrative Assistant. The parties shall attempt to agree upon an arbitrator within seven (7) calendar days after submittal of the grievance to arbitration and in the event the parties are unable to agree upon an arbitrator within said seven (7) day period, either party may request the Bureau of Mediation Services of the State of Minnesota to submit a panel of no less than five (5) arbitrators. The parties shall each have the right to alternately strike names from the panel until only one remains. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. The remaining person shall be the arbitrator. The arbitrator shall be notified of his or her selection by a joint letter from the parties requesting that he or she set a time and a place for the hearing on the grievance, subject to the availability of the parties.

39.4. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this agreement. He or she shall consider and decide only the specific issue(s) submitted to him or her in writing by the parties, and shall have no authority to make a decision on any other issue not so submitted to him. More than one (1) grievance may be heard by the same arbitrator by mutual written agreement of the parties. Either party may, if it desires, submit a brief to the arbitrator setting forth its position with respect to the issue(s) involved in a grievance. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. The arbitrator shall submit his or her decision in writing to the parties and shall file a copy of such decision with the Bureau of Mediation Services of the State of Minnesota. The decision shall be based solely upon his or her interpretation of the meaning or application of the express terms of this agreement to the facts of the grievance presented.

39.5. The decision of the arbitrator shall be final and binding upon the parties, except that an appeal may be taken to the District Court on the grounds that the order of the arbitrator violates the provisions of Minnesota Statutes Annotated.

39.6. The fee and expenses of the arbitrator shall be divided equally between the parties. Each party shall be responsible for compensating its own witnesses. If either party desires a verbatim record of the arbitration proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of such proceedings, the cost shall be shared equally.

39.7. If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the employee or employees or Grievance Committee may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the parties involved in each step.

39.8. All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the employees involved.

39.9. Access to all information necessary to the determination and processing of a grievance shall be made available to all participants.

#### ARTICLE 40 - SENIORITY--VACATION RIGHTS AND ASSIGNMENTS

40.1. For purposes of this Agreement, seniority shall be determined by the employee's length of continuous service with the Police Department.

40.2. Vacation selection rights shall be from within work groups and shall be determined by seniority in rank.

40.3. The Employer and Union agree with the principle that seniority shall be a factor in making assignments.

40.4. The Employer agrees to furnish the Union with an up-to-date list every twelve (12) months showing the length of service, promotional dates, time in grade and time within current work group for each employee and post a copy of such list on the Police Department bulletin board.

#### ARTICLE 41 - COMPENSATION FOR APPEARANCES AT COURT PROCEEDINGS OR HEARINGS FOR ANOTHER PARTY

41.1. Whenever employees are requested or required by a party other than the Employer to appear as witnesses in civil or criminal court proceedings or civil hearings, such employees shall, if the testimony they are to give arises out of the performance of their duties as police officers, be considered to be on duty during the time necessarily spent in attending such court proceeding or hearing and shall be compensated accordingly; provided, however, that the Employer shall deduct from such compensation the amount of any witness fees (excluding mileage allowances) that such employees are entitled to for appearing in such court proceedings or hearings.

## ARTICLE 42 - SAFETY

42.1. Both the Employer and the Union agree to maintain sanitary and safe working conditions and equipment.

## ARTICLE 43 - NO STRIKE PROVISION

43.1. Neither the Union, its officers or agents, nor any of the employees covered by this Agreement will engage in, encourage, sanction, support or suggest any strikes, slow downs, mass resignations, mass absenteeism, the willful absence from one's position, the stoppage of work or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment for the purpose of inducing, influencing or coercing a change in the conditions or compensation or the rights, privileges or obligations of employment. In the event that any employee violates this article, the Union shall immediately notify any such employee in writing to cease and desist from such action and shall instruct them to immediately return to their normal duties. Any or all employees who violate any of the provisions of this article may be discharged or otherwise disciplined.

## ARTICLE 44 - REIMBURSEMENT FOR DAMAGED PERSONAL PROPERTY

44.1. Whenever an employee, while acting within the scope of his or her employment with the City, suffers the loss of or damage to his or her eyeglasses, watch, hairpiece, or uniform or other clothing as a result of the actions of another person or persons, such employee shall be reimbursed by the City in the amount of the value of any such item which is lost or damaged beyond repair and in the amount of the cost of repair of any other damaged item if the damage is reported in accordance with Article 12 of this Agreement; provided, however, that whenever the City reimburses an employee pursuant to this article, such employee shall be deemed to have subrogated to the City his or her right of recovery against other parties for such loss or damage, and such employee shall cooperate fully with the City in any attempt it may make to recover the amount of such loss or damage from such other parties.

## ARTICLE 45 - ROLL CALL

45.1. Both the Union and the Employer recognize that there is a need in police work for a preparation period prior to commencement of daily duties. This preparation period shall be fifteen (15) minutes in length prior to the employees' regularly scheduled work shift. Employees required to appear for such preparation period shall receive a monthly allowance of two and three fourths percent (2-3/4%) of their basic monthly pay, computed to the nearest dollar, in addition to the monthly pay otherwise prescribed by this Agreement.

## ARTICLE 46 - INCENTIVE AWARDS

46.1. In addition to all other compensation paid to an employee pursuant to this Agreement, employees may be paid additional compensation or furnished additional benefits, not to exceed a value of \$1,500 to any single employee in one year, from time to time in accordance with the rules and regulations of the City Employee Incentive Awards Program. The rules and regulations for such

program shall be established by the Mayor and shall be effective upon the filing of a copy of such rules and regulations in the office of the City Clerk. The Mayor may amend such rules and regulations from time to time and such amendments shall be effective thirty (30) days after filing a copy thereof in the office of the City Clerk.

#### ARTICLE 47 - COMPLETE AGREEMENT AND WAIVER OF BARGAINING AND REOPENERS

47.1. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement, except for the following provision:

47.2. The parties agree to meet and confer in the Insurance Committee for appropriate changes in Medical Insurance Plan, and Long Term Disability Plan, including any occasioned by passage of state or federal legislation, including Retiree Health Insurance Plan and any cap on the cost thereof, to achieve reasonable and conservative cost containment suggestions, and then, upon request of either party, meet and negotiate contract changes, if possible.

47.3. Either party may require negotiation during the term of this agreement regarding the establishment of a job sharing system.

47.4. Upon the request of either party, following the Employer's completion of a Master Police Officer program design, the parties shall meet and negotiate, and use any other process provided for by law, to determine a rate of pay for the function of Master Police Officer.

47.5. During the term of this Agreement, either party may, by written notice, require the other to meet and negotiate concerning the wording or subject matter of Article 19 and/or Article 20 and the conditions for allowing so-called "ride-alongs". During the term of this Agreement, the Employer shall not take a unilateral, final position that is lower than the lesser of the minimum incremental annual cash value of the settlement for years 2000, 2001 or 2002 of any other bargaining unit of the City.

#### ARTICLE 48 - DURATION OF AGREEMENT

48.1. This Agreement shall be effective as of the 1st day of January, 2000, and shall remain in full force and effect through the 31st day of December, 2002, and after that date the agreement survives until the parties agree to a new contract, as provided by law.

#### ARTICLE 49 - DISTRIBUTION OF COPIES OF AGREEMENT

49.1. The Employer shall give to each present employee, and to each new employee when he or she is hired, a copy of this Agreement.

#### ARTICLE 50 - MILITARY LEAVE - BENEFITS

50.1. The City of Duluth and Duluth Police Local, acknowledge the following things:

a. The City and the Union are parties to a collective bargaining agreement covering the years 1988, 1989 and 1990;

b. Some members of the bargaining unit are also members of Minnesota National Guard or U.S. Military Reserve Units who may be called to active duty on behalf of our country on or before December 31, 1991;

c. The parties wish to assure fair treatment to City employees who are activated in the military service of the U.S.

Therefore, for, and in consideration, of the mutual promises of the parties, contained in this Agreement, the parties agree as follows:

1. All of the Laws of the United States and of Minnesota conferring benefits upon members of Minnesota National Guard and Reserve Units shall be honored and adhered to;

2. During the period of time that a unit member is called to active duty with the armed forces of the United States in protecting the national interest as set forth in paragraph b, above, the family medical-hospital coverage and the employee's term life insurance that was in place at the time of the call to active duty shall continue, without cost to the employee, provided that the employee ultimately complies with Minnesota Statute 192.261.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written.
